CALIFORNIA BOARD OF REGISTERED NURSING APPLICATION FOR LICENSURE AS A REGISTERED NURSE

General Information and Instructions

By Examination

I. **INTRODUCTION**

You must take the National Council Licensure Examination (NCLEX-RN) if you have never been licensed as a registered nurse in another state or if you have not passed the national licensing examination. If you are licensed in Canada, you must take the NCLEX-RN unless you have passed an acceptable five-part Canadian examination. You must have completed an educational program meeting all California requirements. If you are lacking any educational requirements, you must successfully complete an approved course in that subject before taking the examination.

The NCLEX-RN is administered by Computerized Adaptive Testing (CAT) and is designed to test knowledge, skills and abilities essential to the safe and effective practice of nursing at the entry level. With CAT, there is continuous, year-round testing, allowing eligible candidates to schedule their own examination on a date and at the location of their choice. Examination applicants should submit their application to the Board at least six to eight weeks prior to when they wish to take the examination to allow time for processing and receipt of all required documents. Note: Application processing times vary depending on workload volumes received.

The Board will evaluate your application and, if found eligible, you will be provided with important and detailed instructions regarding the registration process with the NCLEX testing service.

PLEASE NOTE: All NCLEX examination registrations with the NCLEX testing service will remain effective for a 365-day time period. Candidates who are not made eligible by our Board within the 365-day time period will forfeit their registration and fee with the NCLEX testing service. The Board encourages candidates to wait until they are made Board eligible before registering with the NCLEX testing service.

PLEASE NOTE THE FOLLOWING IMPORTANT ISSUES:

- Processing times may vary, depending on when the Board receives documents from schools, agencies, and other states or countries. Current processing times can be found on our website at www.rn.ca.gov. The time to process an application indicating prior discipline may take longer than other applications. Delays may also occur with the fingerprint processing by the Department of Justice (DOJ) and/or the Federal Bureau of Investigation (FBI).
- If you change your name and/or address after submitting an application for licensure, you must notify the Board immediately in order to receive current information. Applicants are required to submit legal documentation of a name change to the Board. Examples of acceptable forms of legal documentation are a birth certificate, marriage certificate, divorce decree, and/or court documents, social security card or passport. A copy of a driver's license is not acceptable.
- PLEASE NOTE: Your name must match EXACTLY as it appears on your photo identification that you will present at the test center. The same name must also be provided to the NCLEX test service at the time you register in order to prevent delays with issuing your Authorization to Test.
- Pending application files are not public record, therefore an applicant must sign and submit a release of information before the Board will release information to the public (employers, relatives, or other third parties).
- Once you are licensed, your address of record must be disclosed to the public upon request, under California law.
- Applicant fees are earned; therefore, fees are non-refundable even if an applicant is found ineligible.

II. **REPORTING PRIOR DISCIPLINE AGAINST LICENSES**

All disciplinary action against an applicant's registered nurse, practical nurse, vocational nurse or other health care related license or certificate must be reported.

Failure to report prior disciplinary action is considered falsification of application and is grounds for denial of licensure or revocation of license.

For disciplinary proceedings against any license as a RN or any health-care related license; include copies of state board determinations/decisions, citations and letters of reprimand.

To make a determination in these cases, the Board considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with court sanctions, and evidence of rehabilitation.

The burden of proof lies with the applicant to demonstrate acceptable documented evidence of rehabilitation. Examples of rehabilitation evidence include, but are not be limited to:

- Recent, dated letter from applicant describing the event and rehabilitative efforts or changes in life to prevent future problems or occurrences.
- Recent and signed letters of reference on official letterhead from employers, nursing instructors, health professionals, professional counselors, parole or probation officers, Support Group Facilitators or sponsors, or other individuals in positions of authority who are knowledgeable about your rehabilitation efforts.
- Letters from recognized recovery programs and/or counselors attesting to current sobriety and length of time of sobriety, if there is a history of alcohol or drug abuse.
- Submit copies of recent work evaluations.
- Proof of community work, schooling, self-improvement efforts.

All of the above items should be mailed **directly** to the Board by the individual(s) or agency who is providing information about the applicant. Have these items sent to the Board of Registered Nursing, Licensing Unit, P.O. Box 944210, Sacramento, CA 94244-2100.

It is the responsibility of the applicant to provide sufficient rehabilitation evidence on a timely basis so that a licensing determination can be made. All evidence of rehabilitation must be submitted prior to being found eligible for licensure.

An applicant is also required to immediately report, in writing, to the Board any disciplinary action(s) which occur between the date the application was filed and the date that a California registered nursing license is issued. Failure to report this information is grounds for denial of licensure or revocation of license.

NOTE: The application must be completed and signed by the applicant under the penalty of perjury.

III. **INSTRUCTIONS FOR SUBMITTING A FINGERPRINT CARD OR LIVE SCAN PROCESS**

All applicants for licensure by endorsement are required to complete and submit one (1) set of fingerprints. All requests from the Board of Registered Nursing for background checks of applicants must be submitted to the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) either by Live Scan or on an Applicant Fingerprint Card (Hard Card). The Applicant Fingerprint Card (Hard Card) or Request for Live Scan Service Applicant Submission form (BCII 8016) must be submitted in the **same name** as shown on your application for endorsement.

The fingerprints remain on file with the California Department of Justice, who provides reports to the Board of Registered Nursing of any future convictions on an ongoing basis.

There are **two (2) methods available** for completing the fingerprint requirement:

Method 1 -- Live Scan Process

For licensees residing in California, the Board of Registered Nursing recommends you use Live Scan to submit your fingerprints in order to shorten the time for your fingerprint process. Licensees must complete and submit the Request for Live Scan Service Applicant Submission form (BCII 8016) at a Live Scan site. You may request for a Live Scan form to be sent to you by e-mail by using our online request form at <https://www.dca.ca.gov/webapps/rn/requests.php>. Take the form to a Live Scan site within California for processing. Federal Bureau of Investigations (FBI) guidelines requires applicants to complete a criminal history background check AFTER they have submitted their application.

Processing Fee for Live Scan Service:

The fee for the Live Scan service varies, so please contact the Live Scan site directly to obtain the correct information. To see a listing of the California Department of Justice (DOJ) applicant Live Scan agency locations, fees and hours of operation, go to www.ag.ca.gov/fingerprints/publications/contact.php.

When using the Live Scan process, the fingerprint processing fee must be paid at the Live Scan site when you provide your live scan fingerprints. Do not send your fingerprint processing fee to the Board. Please be aware that these processing fees are in addition to the "rolling" fee charged by the Live Scan operator.

Once your fingerprints have been scanned and you have completed the required sections, the Live Scan operator will keep one copy and return the second and third copies to you. Typically, the Board receives results without issue; however if there is an error with receiving your results, the Board may ask you for a copy of your completed Live Scan form. Submit a copy to the Board only if you are asked to submit a copy. You may retain the third copy for your records.

Using Live Scan can speed your licensure because the Board receives fingerprint results from this new technology much quicker than through the manual fingerprint card process. On average, Live Scan results take 1-2 weeks, while manual fingerprint cards can take 1-2 months. (Processing times at DOJ and FBI vary.)

Method 2 -- Applicant Fingerprint Card (Hard Card)

You may request one fingerprint card by on of the below methods:

1. Logging into your BreEZe account and selecting "Hard Card Fingerprint payment" under the "Choose Application" section. Once you complete this Online transaction and pay the \$49 processing fee (if not already paid, the FD-258 hard card will be mailed to the address of record in your BreEZe account. Please allow 7-10 business days for the card to arrive to your address.
2. Using our Fingerprint Request Form available on the website (please allow up to two weeks to receive a hard card in the mail once the hard card request is received and processed, which is approximately 3-5 business days after submission of the request).

The FD-258 card is the official fingerprint card produced and approved by the FBI. The current version of this card contains the full Privacy Act Statement, as required by the FBI.

For detailed information on completing the manual fingerprinting card, please see Instructions for Completing a Fingerprint Card.

III. INSTRUCTIONS FOR SUBMITTING A FINGERPRINT CARD OR LIVE SCAN PROCESS - (continued)

To facilitate prompt and accurate processing of the fingerprint card by the DOJ and FBI, type or print legibly in BLACK INK all required information on the fingerprint card. The eight (8) required fields are listed on page 2 of the "Instructions for Completing a Fingerprint Card".

Each applicant **MUST** have his/her fingerprints imprinted only in BLACK INK on fingerprint card. Fingerprints should be taken at an authorized fingerprint location. There may be a rolling fee for this service.

DO NOT FOLD FINGERPRINT CARD. Use a 9" X 12" envelope to return your completed fingerprint card with fees (if not already paid). Write "DO NOT FOLD" on the envelope. If your fingerprint card is folded, you may be required to complete and submit a new fingerprint card. THIS WILL CAUSE A DELAY IN DETERMINING YOUR ELIGIBILITY FOR LICENSURE.

Fingerprint Processing Fee for Applicant Fingerprint Card (Hard Card):

The fingerprint processing fee is in addition to the application fee. This fee is non-refundable and is subject to change by the DOJ and FBI without notice.

The appropriate fingerprint processing fee is payable to the Board of Registered Nursing by paying online when you submit your application in BreEze, or by check or money order in U.S. currency. The application fee and fingerprint fee may be combined and submitted online when submitting your initial application for licensure or by submitting one check or money order in U.S. currency to the Boards address. (See Licensure by Examination fee schedule.)

There must be a clearance of the fingerprinting requirement before a permanent registered nurse license will be issued to endorsement applicants.

IV. U.S. SOCIAL SECURITY NUMBER & TAX INFORMATION

Disclosure of your U.S. Social Security Number or individual taxpayer identification number (ITIN) is mandatory. Section 30 of the Business and Professions Code and Public Law 94-455 (42 USC section (c)(2)(C)) authorize collection of your U.S. Social Security Number/ITIN. Your U.S. Social Security Number/ITIN will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with Section 11350.6 of the Welfare and Institutions Code, or for verification of licensure or examination status by a licensing or examination entity which utilizes a national examination where licensure is reciprocal with the requesting state. **If you fail to disclose your U.S. Social Security Number/ITIN, your application for initial or renewal license will not be processed.** You will also be reported to the Franchise Tax Board, which may assess a \$100 penalty against you. Questions regarding the Franchise Tax Board should be directed to (800) 852-5711.

ALERT: Effective July 1, 2012, the Board of Registered Nursing is required to deny an application for licensure and to suspend the license/certificate/registration of any applicant or licensee who has outstanding tax obligations due to the Franchise Tax Board (FTB) or the State Board of Equalization (BOE) and appears on either the FTB or BOE's certified lists of top 500 tax delinquencies over \$100,000. (AB 1424, Perea, Chapter 455, Statutes of 2011).

V. TEST OF ENGLISH AS A FOREIGN LANGUAGE (TOEFL)

Proof of passage of an English comprehension examination if you are from a non-English speaking country or did not take your country's licensing examination in English. Passage of the Test of English as a Foreign Language (TOEFL) is acceptable. It is suggested that if you decide to take the TOEFL, you should apply as soon as possible as it takes several months from the time of filing until your TOEFL results are received. TOEFL is located at P.O. Box 6151, Princeton, NJ 08541-6151; phone number (609) 771-7100. You may also visit their web site at www.toefl.org.

VI. **INTERIM PERMIT**

First-time examination candidates may apply for an Interim Permit to work while awaiting the results of their examination. Important facts to keep in mind about Interim Permits:

Interim Permits cannot be issued until all nursing requirements have been completed, the applicant has been found eligible for the examination, and the processing of the fingerprint card or live scan has been completed by the Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) and the Board has been notified of the results. Interim Permits will be issued one time only and are valid for no longer than six months.

"A permittee shall practice under the direct supervision of a registered nurse who shall be present and available on the patient care unit during all the time the permittee is rendering professional services. The supervising registered nurse may delegate to the permittee any function taught in the permittee's basic nursing program which, in the judgment of the supervising registered nurse, the permittee is capable of performing." (Section 1414(c), Title 16, California Code of Regulations.)

Interim Permits expire immediately if an applicant fails the examination. "An Interim Permit is not renewable and is in effect to the expiration date or until the results of the examination are mailed, at which time it becomes null and void." If test results are mailed before the end of the six months, the Interim Permit expires immediately. (Section 1414(b), Title 16, California Code of Regulations.)

To qualify for an Interim Permit, the examination applicant must submit:

1. Appropriate **Fees**.
2. **Application for Licensure by Examination**.
3. One completed **Fingerprint Card (Hard Card) or Live Scan Service Applicant Submission form (BCII 8016)**.
4. For International Graduates, a copy of your **license or diploma** that allows you to practice professional nursing in the country **where you were educated**.

VII. **REQUEST FOR TRANSCRIPT**

Mail the **Request for Transcript** form to your nursing school(s) with the fee required by the school. **The official transcripts must include all completed coursework and reflect the degree awarded and date conferred.** Transcripts are **not accepted** from applicants or if stamped "issued to student."

CALIFORNIA GRADUATES:

- The Board has a process in place to receive transcripts electronically from Board-approved California nursing programs. Please ensure with your school that your transcript is sent to the Board electronically.

CALIFORNIA ENTRY-LEVEL MASTERS, NON-GRADUATES AND LVN-30 UNIT OPTION STUDENTS:

- The **Request for Transcript** form must be completed by your nursing school with official transcripts showing completion of all nursing requirements.

APPLICANTS EDUCATED OUTSIDE THE U.S.:

- Transcripts received from the school in a foreign language will require an English translation by a certified translator or translation service. (See Translation of International Academic Credentials instructions.)

VII. REQUEST FOR TRANSCRIPT – (continued)

- Transcripts are required from all colleges and/or universities you attended that reflect courses required for a degree in nursing, including general education course requirements and all nursing courses. Transcripts must be received and evaluated by the Board prior to being found eligible for the NCLEX examination.
- Your education must meet the requirements for California licensure. If any deficiencies are identified, you must complete an approved course(s) prior to being found eligible for the examination.
- Education as a medical doctor is not acceptable to meet registered nursing requirements.
- The Commission on Graduates of Foreign Nursing Schools (CGFNS) examination is not required by the Board to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

Note: To ensure the earliest possible examination date, request the transcript from your school(s) well in advance because some applicants have found that it can take up to 4-6 months to obtain complete transcripts.

You need to allow sufficient time to obtain additional information from the school in case the transcript is not complete or the Board needs more information regarding your completed program. Transcripts must be submitted from all nursing programs attended, such as midwifery or psychiatric programs. The transcripts must also include the clinical portion of an applicant's education.

U.S. GRADUATES OTHER THAN CALIFORNIA:

- If you are a graduate from a U.S. school in a state other than California, transcripts are required from all colleges and/or universities you attended that reflect courses required for a degree in nursing, including general education course requirements and all nursing courses. Transcripts must be received and evaluated by the Board prior to being found eligible for the examination.
- Your education must meet the requirements for California licensure. If any deficiencies are identified, you must complete the coursework prior to being found eligible for the examination.

VIII. EDUCATIONAL REQUIREMENTS

NOTE: For California licensees who wish to seek licensure by endorsement to another state, please be advised that other states requiring graduation from a nursing program **MAY NOT ACCEPT** the California license of California Non-Graduates, LVN-30 Unit Option, and Corpsmen.

U.S. GRADUATES, CALIFORNIA NON-GRADUATES, and APPLICANTS EDUCATED OUTSIDE THE U.S. COMPLETING NURSING REQUIREMENTS:

- Section 2736 of the Business and Professions Code states that applicants must have satisfactorily completed instruction in an accredited school of professional nursing that meets California's educational requirements.

CALIFORNIA SCHOOLS - LVN-30 UNIT OPTION:

- A copy of your current license to practice as a Licensed Vocational Nurse is required, as well as the year first licensed.
- Following LVN licensure, you must have completed professional registered nursing courses in a California school accredited by the Board which is beyond the first year and includes theory with concurrent clinical practice in advanced medical-surgical, mental health, psychiatric and geriatric nursing, physiology, and microbiology.
- Courses required for vocational nurse licensure do not count toward fulfillment of the **additional** RN educational requirements.

VIII. EDUCATIONAL REQUIREMENTS – (continued)

CORPSMEN:

Pursuant to Section 1418 of the Business and Professions Code, corpsmen must meet the same theory and clinical qualifications as that of a registered nurse. As a result, those applicants applying for licensure based on military training and experience may not meet the minimum qualifications for licensure.

The Board suggests that you contact a college in your area regarding your educational background. The college may be able to advise you if you will be able to use any of your course work and/or training toward a degree in registered nursing.

Also, you may want to contact the Board of Vocational Nursing and Psychiatric Technicians to inquire about licensure requirements for a licensed vocational nurse. That board may be contacted at (916) 263-7800 and is located at 2535 Capitol Oaks Drive, Suite 205 Sacramento, CA 95833. You may also visit their web site at www.bvnpt.ca.gov.

If you choose to submit an application for licensure, your fees will be non-refundable and your application will be evaluated.

- Please mail the Request for Transcript form to the school of nursing with the fee required by the school.
- Transcripts must be received and evaluated by the Board prior to being found eligible for the examination.

If you have any questions, please contact the Board of Registered Nursing at (916) 322-3350.

IX. CANDIDATES WITH DISABILITIES – REQUEST FOR ACCOMMODATIONS

The California Fair Employment and Housing Act¹ (“FEHA”) grants qualified individuals with disabilities who participate in the examination process protection from unlawful discrimination.

More specifically, the FEHA protects individuals with physical or mental disabilities, cosmetic disfigurement or anatomical loss or individuals regarded as or with a record of any disability who is able to perform the essential functions in an examination setting for the NCLEX-RN with or without an accommodation. A disability is a limitation of a major life activity that makes achievement difficult, requires special education or services, or affects social activities or interactions. Impairments that are not disabilities are sexual behavior disorders, compulsive gambling, kleptomania, pyromania, substance abuse disorders resulting from current and unlawful use of controlled substance.

While the board is not required to allow an accommodation that fundamentally alters the nature of the examination, the board will grant any reasonable accommodation and engage in an interactive process with each applicant who requests an accommodation to ensure that individuals with disabilities are able to meaningfully participate in the examination process.

The board will make any reasonable modifications to its policies, practices, and procedures to accommodate an individual with a disability.

The board is not able to provide reasonable accommodations to individuals unless the board is made aware of the individual’s need. An applicant who needs an accommodation to be able to participate in the examination, must advise the board by the time of application for the examination. This notification should include sufficient documentation to enable the board to determine whether or not the requested accommodation is reasonable and will not fundamentally alter the nature of the examination.

The board is prohibited by law from requiring an individual with a disability to accept an accommodation if the individual chooses not to accept it.

IX. CANDIDATES WITH DISABILITIES – REQUEST FOR ACCOMMODATIONS – (continued)

If you have a disability which may require accommodations of the examination process or access to the examination center, you must submit with your application the following REQUIRED information:

1. A **REQUEST FOR ACCOMMODATION OF DISABILITIES** form completed and signed by the applicant. This form is included in the application packet.
2. A **PROFESSIONAL EVALUATION AND DOCUMENTATION OF A DISABILITY** form completed and signed by a professional evaluator or equivalent information on original letterhead stationery of the evaluator. This form is included in the application packet.
3. If applicable, a **NURSING PROGRAM VERIFICATION** form indicating what accommodation(s) were granted in testing procedures during the nursing program. This form should be completed and signed by the nursing program Dean or Director or their designee or equivalent information on original letterhead stationery of the nursing program. This form is included in the application packet.

The required information must be completed and submitted with your application or your examination could be delayed. If you have any questions, you may contact the Testing Coordinator by writing to the Board address, Attn: Testing Coordinator, or by calling (916) 322-3350.

Any examination accommodations, including aids brought into the testing center must have **pre-approval** of the Board.

¹The California Fair Employment and Housing Act as amended by AB2222, Government Code section 12900 et seq. effective January 1, 2001, grants applicants participating in a licensure examination more protection from unlawful discrimination than the federal Americans With Disabilities Act.

X. HONORABLY DISCHARGED MEMBERS OF THE U.S. ARMED FORCES RECEIVE EXPEDITED REVIEW

Notwithstanding any other law, on and after July 1, 2016, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that the applicant has served as an active duty member of the Armed Forces of the United States and was honorably discharged (Business and Professions Code section 115.4.).

If you would like to be considered for this expedited review and process, please provide the following documentation with your application:

1. Report of Separation form.

The report of separation form issued in most recent years is the **DD Form 214, Certificate of Release or Discharge from Active Duty**. Before January 1, 1950, several similar forms were used by the military services, including the WD AGO 53, WD AGO 55, WD AGO 53-55, NAVPERS 553, NAVMC 78PD and the NAVCG 553.

Information shown on the Report of Separation may include the service member's date and place of entry into active duty, date and place of release from active duty, last duty assignment and rank, military job specialty, military education, total creditable service, separation information, etc.

XI. EXPEDITED LICENSURE PROCESS FOR REFUGEES, ASYLEES, AND HOLDERS OF SPECIAL IMMIGRANTS VISAS (SIVS)

Individuals seeking an expedited licensure process as required by Business and Professions Code section 135.4. Beginning January 1, 2021, individuals in the following categories may have their applications expedited:

1. Refugees pursuant to section 1157 of title 8 of the United States Code;
2. Those granted asylum by the Secretary of Homeland Security or the Attorney General of the United States pursuant to section 1158 of title 8 of the United States Code; or,
3. Individuals with a special immigrant visa that have been granted a status pursuant to section 1244 of Public Law 110-181, Public Law 109-163, or section 602(b) of title VI of division F of Public Law 111-8.

In order to receive the expedited licensure process, individuals must provide evidence of their refugee, asylee, or special immigrant visa status when submitting their application package. Documentation below are examples that can be used:

- Form I-94, Arrival/Departure Record, with an admission class code such as “RE” (Refugee) or “AY” (Asylee) or other information designating the person a refugee or asylee.
- Special immigrant visa that includes the classification codes of “SI” or “SQ.”
- Permanent Resident Card (Form I-551), commonly known as a “Green Card,” with a category designation indicating that the person was admitted as a refugee or asylee.
- An order from a court of competent jurisdiction or other documentary evidence that provides reasonable assurance that the applicant qualifies for expedited licensure.

Failure to provide documentation may result in a delay in expediting the application review.

Please note that this does not mean a license/registration must be issued, but simply that the process will be expedited.

SUBJECT: SUPPLEMENTAL APPLICATION INSTRUCTIONS

Applicants who have graduated from schools outside the United States may face unique problems as they attempt to complete their application for California licensure. This document is intended to provide suggestions and information to assist with those special problems.

Application Submission

The Board strongly recommends that you try to ensure that your application, school transcript(s), and all other required documents reach the Board as soon as possible to prevent delays in issuing an interim permit, temporary or permanent license. In some instances, delays and difficulties may be encountered when requesting documentation for those who have graduated from an international nursing program.

In many cases, the Board must obtain additional information from the school in order to clarify course content and/or curriculum requirements. We may also request clarification for the amount of theory and clinical training completed. Also, additional information is required if the applicant is the first graduate from their school of nursing to apply for California licensure. The schools curriculum, catalogs and/or other documents may be requested to evaluate the programs content (these items are in addition to the individuals nursing transcripts.)

Obtaining additional information from the school may take from one to six months, depending on the responsiveness of the school and allowing for mail time. All requirements must be met in order for an interim permit or permanent license to be issued.

Requesting Transcripts

When submitting the "Request for Transcript" form to your school of nursing, please include the "Breakdown of Educational Program for International Nursing Programs" form. Both forms do not take the place of a complete, official transcript. The transcripts should include all completed coursework (both theoretical and clinical practice). All training documents must come directly from the school of nursing. Training documents from applicants are not acceptable.

Commission of Graduates of Foreign Nursing Schools (CGFNS)

The Board does not require applicants to pass the Commission on Graduates of Foreign Nursing Schools (CGFNS) examination in order to be licensed in California. Although, if you have been evaluated by CGFNS, the Board will accept official copies of your nursing transcripts (including the clinical portion of your training) from this organization. Requests must be made in writing to CGFNS by contacting them at (215) 222-8454 or 3600 Market Street, Suite 400, Philadelphia, PA 91904-2651. You may also visit their website at www.cgfns.org.

Translation of International Academic Credentials

For the Board to fairly evaluate compliance with California requirements, any applicant with non-English, non-U.S. academic credentials must provide both 1) original, certified transcripts and 2) certified translations of those original transcripts and academic documents. **Original language transcripts must be forwarded directly from the school of nursing and sent directly to the Board (photocopies are not accepted).** When requesting official transcripts and academic documents, an applicant whose education was completed at an institution in a bilingual country where English is one of the official languages, may be able to avoid the necessity of arranging for a translation by asking the school to generate an English language version of the transcript. Please note that in this instance, the original language transcript must accompany the English translation and be forwarded directly to the Board.

Applicants must have their transcripts translated by an independent, professional translator who is not related to the applicant. Each translator must provide an original declaration with each translation attesting to his/her fluency in the particular language and certifying under penalty of perjury that the translation is complete and accurate to the best of the translator's ability and knowledge. (See attached form.) The Board refers applicants with non-English academic credentials to one of the following sources for translation:

- 1. Translator accredited by the American Translators Association (ATA):** The ATA accredits individual translators by examination. Although accreditation is available only to individuals, ATA membership includes not only individuals but also companies that employ accredited translators. An accredited translator must sign the translation and declaration in the presence of a Notary Public, unless the translation is a service provided by a known translation agency which affixes the document with its own official seal. ATA membership includes accredited translators residing in the US, Canada, Mexico, and overseas. Although the ATA does not make referrals, a listing of accredited translators and member companies is available through its web site at www.atanet.org. The ATA may be reached by phone at 703-683-6100 or by e-mail at ata@atanet.org.
- 2. Certified or registered court interpreter:** Some state court systems offer examinations for certification or registration of court interpreters. In California, the Judicial Council is charged with these functions. Information on court interpreters is available through the Judicial Council at 415-865-7530. General information is available via its web site, www.courtinfo.ca.gov. The Judicial Council has contracted with Cooperative Personnel Services (CPS) for examination and certification of Certified Administrative Hearing and Medical Interpreters. A master list of these interpreters is available at the CPS web site, www.cps.ca.gov, or telephone at 916-263-3600. The court interpreter must sign the translation and declaration in the presence of a Notary Public. Applicants residing outside California but within the United States may call the National Center for State Courts at 757-259-1517 for information on certification and registration of interpreters in other states.

Applicants who present documents in a language for which accredited translators or certified/registered court interpreters are not readily available may require special assistance. The usual next step is to inquire at the nearest consulate representing the nation in which the documents originated.
