To: All Limited Profit and Limited Dividend Housing Companies
Owners, Managing Agents and Site Managers

From: Cathy Sparks, Director

Subject: Occupants' Annual Affidavit of Household Income for Calendar Year 2022
Income Review Procedure

Reference: NYS Private Housing Finance Law; Official Compilation of Codes,
Rules and Regulations of the State of New York, 9NYCRR §1727-2

The Private Housing Finance Law requires that limited profit and limited dividend housing companies review tenant/cooperator income once a year and assess a rental surcharge if adjusted household income exceeds the maximum income limit by more than 5 percent. The procedure to be used is outlined in Subpart 1727-2 of the 9NYCRR and further detailed in the attached Housing Company Instructions.

NOTE the Following Information

- The Tenant/Cooperator Instructions for Completion of Affidavit of Household Income is to be distributed on NYS DHCR letterhead.
- Please identify the building(s) by the building code. Appropriate building codes are available upon request. Housing company is responsible for filling in building codes on HM-73.
- Prior to reproducing copies, email a copy of your Income Affidavit Package to Patrice.Richardson@hcr.ny.gov by **Monday, March 06, 2023**.
- The housing company may impose a **\$50 Non-Refundable Administrative Fee on ALL Tenant/Cooperators** who have **NOT** submitted their fully completed Income Affidavit to management by April 30th.

- Housing companies are responsible for checking that the forms are completely filled out correctly and legibly. Enforce a resubmission of income affidavit if the information on form is not legible. No cursive handwriting. The Housing company is required to ensure that the scan is of high quality. Incorrect submissions will have to be corrected by the Housing company and then resubmitted.
- Retain an electronic copy of the annual income affidavit and instructions in addition to the paper copy for tenants/cooperators that will prefer to fill out their information electronically.

The process has return to pre-covid guidelines, note the following:

- Notary is required for 2022 income affidavits.
- Tenants/cooperators who have experienced 3 months of continuous loss of income may request a re-examination for an interim change to reduce or remove surcharges.
- The Housing Company to distribute **two copies** of the HM-73 form to residents.

- One (1) Copy of Frequently Asked Questions Re: Income Affidavits

Steps to Be Taken by Managing Agent/Housing Company After Distribution of Income Affidavits to Tenants

INITIAL PREPARATION OF SURCHARGE INFORMATION TABULATION SHEETS

1. Use Excel Spreadsheet for Surcharge Information Tabulation Sheet [HM-73b] supplied.
2. Use tabulation sheet to permit entry of the following information:
 - a. **For non-federally assisted developments** — List **each** apartment sequentially (by floor, then apartment number) and enter leaseholder's name (Last Name, First Name) or "Vacant", if applicable. Use the "Remarks" column to identify residential tenants who are **not** subject to the income review, and indicate why (for example: Resident Employee, Capital Grant, SCRIE, Section 8, Tax Credits etc.). **ALL APARTMENTS MUST BE INCLUDED ON THE TABULATION SHEET, NOT JUST THE SURCHARGED APARTMENTS.**
 - b. **For federally assisted developments** — List **ONLY** those apartments whose occupants pay **Market Rent**.
 - c. Create a new tab (sheet) for each building in the development.

Income Affidavit Review and Entry by Management On Surcharge Information Tabulation Sheets

1. Review each income affidavit, and accompanying documentation, if required, to make sure it is legible, complete and notarized.
2. **All occupants 18 years of age or older must sign deposition in Section C.**
3. **Make certain that New York State Tax Return Information is provided for all occupants. If a joint return was filed, make sure that the "Joint Return" column is checked for both filers and that the wages of a Secondary Wage Earner are listed separately so the appropriate deduction can be taken.**
4. Complete all calculations in **Section D**.

Maximum Income Limit — See page 4 of these instructions. Use the applicable ratio, based on the number of persons in the household:

- 7 X — for families of **three** persons or less
- 8 X — for families of **four** persons or more

Secondary Wage Earner Deduction — A deduction of \$20,000, or the exact amount of earnings if less, is allowed for **each** secondary wage earner including minors under the age of 21.

A secondary wage earner is any gainfully employed member of the household other than the head of household. The head of household is defined as the person who is legally or morally responsible for dependents in the household, whose income is generally from employment or self-employment and usually exceeds income of any other member of the household. It is not necessary for the head of household to be gainfully employed for another household member to qualify as a secondary wage earner.

If the **Net Income** exceeds the **Maximum Allowable Income** by more than 5%, a surcharge should be added to the rent — see surcharge schedule on page 5.

5. Transfer all necessary information from the income affidavit to the **Surcharge Information Tabulation Sheet** [HM-73b]. **Complete all columns.**
6. Provide written notification to tenants as follows:
 - **Tenants whose adjusted household income exceeds 105% of the maximum allowable income** must be notified by **May 31st** of the surcharge to be added to their rent effective July 1, 2023.

- **Tenants who fail to provide the required information** must be notified by **May 31st** of the 50% maximum surcharge to be added to their rent effective July 1, 2023.

Documentation Requirements

Income reported by occupants who provide social security numbers will be referred to the New York State Department of Taxation and Finance for verification, and that agency's findings will be forwarded to the housing company. This direct verification process eliminates documentation requirements for most occupants who file New York State income tax returns; however, documentation is required in the following instances:

1. If Medical and Dental Expenses (line B4) or Taxable Social Security Benefits (line B5) are claimed, they must be substantiated by a filed NYS tax form.
2. If the total number of Dependent Exemptions and Personal Exemptions (entered on line B3) is greater than the number of household members, the dependent exemptions must be substantiated by a filed NYS tax form.
3. If an occupant 18 years of age or older *does not provide a social security number or did not file a NYS return*, income verification is required as follows:
 - If an income tax return was filed, a copy of either the NYS or federal return must accompany the affidavit and a NYS Tax and Finance issued transcript must be submitted to the management office by July 31, 2023.
 - If an income tax extension request was filed, a copy of either the NYS or federal extension request must accompany the affidavit. **A certified copy of the NYS or federal return must be submitted to the management office by November 30, 2023.**
 - If no income tax return or extension request was filed, written verification of income must accompany the affidavit. Refer to 9NYCRR Section 1727-2.3(a) for appropriate verification methods.

Note: Income affidavits *and* supporting documents MUST be retained in each individual Tenant/Cooperator file for audit purposes.

DO NOT submit the additional documents to NYS DHCR.

Submission of Income Affidavits to DHCR

Make **ONE** submission of the following materials to this office by **Friday, September 1, 2023** in the following order:

- **one** completed Housing Company Summary Sheet [HM-73a] for entire development;
- **one** completed Surcharge Information Tabulation Sheet [HM-73b] in excel;
- **Scan original copy** of each Occupant's Annual Affidavit of Household Income [HM-73] **prepared on white paper** and arranged by building, floor and apartment number. **Please scan each building of affidavits individually as separate pdf files.**

Please **DO NOT INCLUDE** the following in your submission:

- **Supporting Documents — Attach all supporting documents to the Income Affidavit copy retained by housing company in the Tenant/Cooperator file.**
- **Duplicate Affidavits** — If corrected or Interim Affidavit has been received by the housing company prior to September 2ND, **only submit the most recent affidavit** for the household and retain all other versions for the tenant/cooperator file.
- **Income Affidavits for Previous Years**

Rent or Carrying Charge Increase

In the event of a Commissioner's Order affecting rents/carrying charges, at least 30 days prior to the increase, an interim recalculation of surcharges must be done for tenants with surcharges. The housing company shall submit to DHCR, within 30 days of the rent/carrying charge increase, an updated Surcharge Information Tabulation Sheet listing the adjusted surcharges.

Interim Changes in Rent

Income should be reexamined, and interim changes in rent to reduce or remove surcharges should be made, if required, only in the following circumstances:

- tenant or household member is placed upon public assistance;
- a full-time employed household member permanently leaves the apartment;
- death or retirement of a household member who had income; or
- unemployment of a household member which has been continuous for at least three months.

[§1727-2.5(b)]

Calculation of Maximum Income Limits

RENTALS

Multiply the annual rent, including utilities, by 7 for households of one to three persons, or by 8 for households of four or more persons.

COOPERATIVES

Add the following amounts:

1. Annual carrying charge, including utilities
2. 6% of **equity investment** (**NOT TO INCLUDE ACCRUED AMORTIZATION**)
3. \$120 multiplied by the number of rental rooms (Cost of Redecoration and Replacement of fixtures and appliances)

Multiply the total including utilities, by 7 for households of one to three persons, or by 8 for households of four or more persons.

SAMPLE SURCHARGE CALCULATION
for a Cooperative with a Carrying Charge of \$285,
Equity of \$5,000, and 5 Rental Rooms

Assume that the apartment is occupied by a Household of three; that the total gross income is \$40,000 (\$36,000 for the head of household and \$4,000 for the spouse from wages); and that the married couple filed a joint return claiming one exemption for the child and the standard deduction.

MAXIMUM INCOME LIMIT CALCULATION		NET INCOME CALCULATION	
Carrying Charge of \$285 X 12	\$3,420	Total Gross Income	\$40,000
Equity of \$5,000 X 6%	300	Less Deductions (Line B6)	<u>3,000</u>
5 Rental Rooms X \$120	<u>600</u>	Total Adjusted Income	\$37,000
Subtotal	4,320		
Multiply by 7 (1-3 persons)	<u>X 7</u>	Less Secondary Wage Earner Deduction	<u>4,000</u>
MAXIMUM INCOME LIMIT	\$30,240	NET INCOME	\$33,000

NET INCOME / MAXIMUM INCOME LIMIT = % OF MAXIMUM INCOME LIMIT

In this example, the tenant's net income of \$33,000, divided by the maximum income limit of \$30,240, equals 109%. Referring to the surcharge schedule below, the tenant must pay a monthly surcharge of 5% of the monthly carrying charge.

SURCHARGE SCHEDULE		
Income (In % of Maximum Income Limit)		Surcharge (In % of Rent/ Carrying Charge)
greater than	up to and including	
100%	105%	None
105%	110%	5%

**Tenant/Cooperator Instructions for Completion of
Affidavit of Household Income — Calendar Year 2022**
Please Note: Notary is Required for 2022 Income Affidavits.

Under the New York State Private Housing Finance Law, this development has been given a subsidy that makes it possible for tenants/cooperators, whose incomes are within the maximum income limits set by law, to pay below market rents/carrying charges. The law requires that we examine your income once each year to determine eligibility for continued occupancy. If your adjusted household income exceeds the maximum income limit by more than 5 percent, a surcharge will be added to your rent.

The assessment of a surcharge, if any, will be effective **July 1, 2023** through **June 30, 2024** in accordance with the Surcharge Schedule on page 4 of these instructions. If you wish to calculate your surcharge, a Worksheet for Determination of Surcharge is provided on page 5.

Please cooperate in the review process by providing information no later than **April 30, 2023**. The failure, neglect or refusal of a tenant/cooperator to furnish information concerning his income or that of any member of the household, or to cooperate in the verifying of such reported income, will be assumed to indicate excess income. In such cases, rent will be raised to maximum in surcharge schedule; however, upon submission of an affidavit of income and/or proper documentation, surcharges, if any, will be assessed on the basis of verified income, with the effective date of any rent change to be the first of the month following the month in which the affidavit of income and/or proper documentation had been filed with the housing company. In no event will credit be given for excess surcharges already assessed as a result of failure, neglect or refusal of the tenant/cooperator to cooperate in income determination as set forth in §1727-2.6(a) of the New York Codes, Rules and Regulations.

A \$50 Non-Refundable Administrative Fee may be imposed on **Tenant/Cooperators** who have **NOT** submitted their Fully Completed Income Affidavit to management by April 30th.

If you have questions, or need assistance in completing the attached form, please call the management office **at your development**.

Income information shown on the Occupants' Annual Affidavit of Household Income is subject to verification by the New York State Department of Taxation and Finance in accordance with provisions of Section 171-b of the Tax Law.

Upon proper verification of income, if it is determined that the tenant or cooperator, or any household member, willfully misrepresented any information, then the housing company shall calculate surcharges in accordance with the surcharge schedule and assess such surcharge, as rent, each month, retroactive to the initial month in which the surcharge should have been paid. A housing company shall charge such tenant or cooperator a fee of \$150 in payment for the expenditure of housing company time and labor incurred to determine the true income of the tenant or cooperator.

[§1727-2.6(b)]

In no case shall the housing company waive the provisions of subdivisions (a) through (c) of this section.

NYS DHCR Frequently Asked Questions Re: Income Affidavits

- **What are my responsibilities with respect to reporting my income?**

All tenants/shareholders in DHCR supervised Mitchell-Lama developments are required to report their income, and the income of all household members, annually and to comply with housing company requests for documentation. Tenants in federally-assisted developments are subject to HUD's annual income re-certification requirements. Tenants in non-federally-assisted developments are subject to DHCR's annual income review procedure.

- **I had medical and dental expenses last year, but I did not itemize my deductions. Can I still claim the medical and dental expenses on line B4 of my income affidavit?**

No. In order to claim Medical and Dental expenses on line B4 of your income affidavit, you must have itemized your deductions as reported on your ***NYS IT-196 New York Resident, Nonresident, and Part-Year Resident Itemized Deductions line 1.***

- **I had income, but I was not required to file a Tax Return. Do I need to report my income on my affidavit?**

Yes. If you or a household member were not required to file a NYS Tax return, the income must still be reported in the household composition portion of the income affidavit. You must also check the box indicating "None" under Type of NYS Tax Return Filed.

- **Management indicated that a \$50 Non-Refundable Administrative Fee will be imposed on ALL Tenant/Cooperators who have NOT submitted their Fully Completed Income Affidavit to management by April 30th. Is this correct?**

Yes. When a tenant who is subject to DHCR's annual income review procedure fails to submit a completed income affidavit, or necessary documentation, by April 30th, Management may charge an administrative fee of \$50. For affidavits received after June 30th a 50% non-refundable surcharge will be added to the rent.

- **After filing my income affidavit late, management agreed to remove the 50% surcharge going forward but could not remove the surcharge already billed. Is this correct?**

Yes. When a tenant who is subject to DHCR's annual income review procedure fails to submit a completed income affidavit, or necessary documentation, management is required to give the tenant one month's notice that a 50% surcharge will be added to the rent. Once the affidavit or documentation is submitted, management is required to recalculate the surcharge on the basis of the submission and the effective date of any resulting rent change should be the first of the following month. Management is not required to waive a surcharge that has already been assessed due to the failure of a tenant to submit the income affidavit on time.

- **Since the last Income Affidavit submission, the tenant/shareholder of record has permanently vacated. Can I complete and submit the Income Affidavit?**

Yes; however, you must inform the managing agent that the resident of record has vacated. You must also request Succession Rights when you submit the Income Affidavit. The managing agent will provide you with an application for **Succession Rights** with instruction on how to complete the application and required documents.
