3. Use of membership signifies acceptance of the program rules/guidelines. All membership rules are applicable and may vary with specific promotions.
4. In becoming a Winners' Zone member, you are acknowledging your permission for Nugget Casino Resort to correspond with you by mail, email and telephone. Members are responsible for promptly notifying the property of contact information changes.
5. Membership is limited to one account per person. Each account must have a unique email address in order to receive email offers. Members may not use an Winners' Zone card belonging to another member.
6. Each member must select a Personal Identification Number (PIN) for their account. PIN CANNOT include: Ascending (1234), Descending (6543) or All The Same Digits (1111). Members are responsible for keeping their account information secure. Nugget Casino Resort is not responsible for stolen or misplaced cards or the redemption of rewards. Lost or stolen cards should be reported to Player Services.
7. All rewards, including Tier Credits, are based on member's rated level of play. Rated play varies by machine and/or game type, denomination, average bet and length of play. Calculation of rated play is the sole discretion of Nugget Casino Resort.
8. Tier Status is determined based on member's play over a 12 month period, April 1 through March 31. Any member who has had a Tier Status reduction is required to surrender their existing card and will be issued a new card with their current Tier Status. This includes any Preferred Parking Pass that has been issued. Tier Credits are only used for determining Tier Status. Point multiplier promotions or other point adjustments will not apply to Tier Credits. Tier Credits may not be converted to points, dining comps, free play or gaming chips.
9. Each member is responsible for ensuring their Winners' Zone card is accepted into machine card reader while playing. It is the member's responsibility to identify him/herself during play at Table Games, Keno and Bingo. Members earn rewards only for play that is tracked. Points for all manually tracked play may be posted up to 24 hours after the time of actual play.
10. Points are non-transferable and are redeemable only by the member who has earned them through valid tracked play. They may not be brokered, bartered or sold. Points are redeemable for a period of one year from your last gaming date and thereafter will automatically expire and are unavailable for redemption. Points have no cash value. Points may not be used for gratuities.
11. Free Play and Promotional Gaming Chips rewards expire 24 hours from issuance/player activation. Promotional Gaming Chips are valid for Keno, Bingo and Table Game wagers.
12. All rewards, Tier Credits and point accumulations are subject to review and verification by Nugget Casino Resort.
13. Management reserves the right to adjust any balance resulting from malfunction, operator errors, fraud or any reason it deems valid.
14. Employees of Nugget Casino Resort and their immediate families are prohibited from participating in Winners' Zone contests, promotions, tournaments or drawings but are otherwise allowed to be Winners' Zone members.
